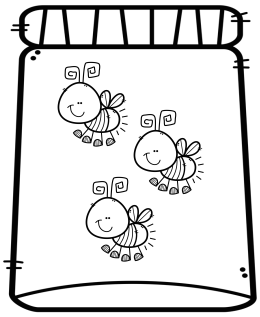
Name: _____



Fireflies in a Jar

Directions: Turn over a card and put that many fireflies in the jar. Now fill in the blanks below.

I have_____ fireflies in my jar.

I caught 1 more firefly, so now there are _____.

Write a number sentence to show how many glowing fireflies there are when you add 1 firefly to your jar.

___ + ___ =

Now lets see what happens when you add 2 fireflies to your jar. Take 1 firefly out, so you go back to the number you started with.

I have_____ fireflies in my jar.

I caught 2 more fireflies, so now there are _____.

Write a number sentence to show how many glowing fireflies you have after you add 2 fireflies to your jar.

___ + ___ =
