WHAT ARE TEACHERS SAYING ABOUT THEM

★★★★★ 5.0

I made this with my Pre-K students for Mother's Day and they turned out really cute. I cut out the letters on our Variquest machine at school to make it easier. The directed drawing directions were clear and were the star of the project!

★★★★★ Extremely satisfied

Such a fun, low prep craft! I love the option of cut and glue or a directed drawing for the mom!

★★★★★ Extremely satisfied

This activity was such a great addition to our mother's day gifts this year!
