WHAT ARE TEACHERS SAYING ABOUT IT

★★★★★ Extremely satisfied

This resource was great to send home and let parents see exactly what their children could/could not do during the spring. It was **great feed back for me and parents** and I was able to **develop a plan with the parents** to help their child get back on course.

★★★★★ Extremely satisfied

This is truly one of **my favorite TPT purchases!** We did a huge nonfiction writing unit using this product and the **students LOVED it** and learned so much information! I loved that it was already **differentiated so that we could better support** our growing writers. This is nicely formatted and just perfect!

★★★★★ Extremely satisfied

Finding a way for **students to practice writing sentences in a meaningful way** has been so difficult, until now. This **multisensory approach** has the kids engaged and learning the entire time!
