# WHAT ARE TEACHERS SAYING ABOUT THEM

★★★★★ Extremely satisfied

This is so great to use as you introduce numbers. The rhymes really help them remember how to write the numbers and there are lots of supplemental pages to use to help with number formation. Great resource!

★★★★★ Extremely satisfied

The number poems were great! They really helped my students practice their writing and remember how to do it! They looked forward to each new craft.

★★★★★ Extremely satisfied

These number poems are the perfect practice for my kinders. I like the variety of ways it has them look for and show the number. My kiddos are enjoying these sheets. Thanks!
