Meet Jennifer

Jennifer is the founder, lead educator, and curriculum designer of Simply Kinder.

Jennifer and her talented team work hard to provide teachers just like you with high quality, low-prep, and always affordable resources that your students are sure to love.

With a passion for the Science of Reading, Jennifer has been attending SoR aligned conferences, trainings, and workshops on this since 2014. She also holds a masters degree in early childhood literacy and uses evidence based best teaching practice throughout Simply Kinder.

When you purchase from Simply Kinder, rest assured that she's got your back. As a team, we take pride in our customer service and update our resources as we learn and grow because we know your time and money is valuable.

But Simply Kinder is more than printable resources, it's a community of teachers and we would love for you to be in it.
